Cozen O'Connor opened its San Francisco office in 2015 when attorneys from Meckler Bulger Tilson joined the firm.

Our San Francisco attorneys have deep roots in the San Francisco Bay area, with practices and individual accolades that place them among the nation's leading lawyers in insurance and labor and employment matters. With extensive experience in commercial litigation, our San Francisco attorneys focus in representing corporations in insurance coverage, labor and employment, mass tort, products liability, bad faith and business litigation. They have been lead counsel in many well-known cases on the West Coast and throughout the nation. In addition to insurance and labor and employment law, our San Francisco office offers the full range of services, including all types of business litigation and legal audits.
