

Chicago

Established in October 2000, the firm's Chicago office is located in the second largest downtown business district in the United States. In 2015, our Chicago presence grew with the addition of 59 attorneys from the Chicago-based Meckler, Bulger, Tilson firm.

Cozen O'Connor's Chicago office attorneys provide clients with a wide variety of services including labor and employment, complex insurance coverage, complex product liability and tort defense, first and third-party coverage, subrogation and recovery, commercial litigation, and white-collar defense and government investigations.

We are committed to being active and involved in the Chicago community. Our lawyers serve on nonprofit boards and many of our lawyers and professional staff members enthusiastically serve as volunteers for area nonprofits.
